

THE HOT TUB - TERMS & CONDITIONS OF USE

Hygiene

Before entering the hot tub, please:

- Use the shower to remove any make-up, lotions, fake tan etc. - to prevent the hot tub from staining and from leaving a dirt ring round the top!
- Rinse your feet before getting in using the foot bath - to prevent grit and sand from accumulating on the seats and footwell inside the hot tub.

Food & Drink

Please do not take any glass items or food into the hot tub.

This is for your own safety and to prevent damage to the hot tub.

Acrylic tumblers and acrylic wine glasses are provided in the cabinet on the wall by the hot tub, and in the small dresser just inside the dining room door.

Towels & Bathrobes

Please use the towels provided in the downstairs hallway for the hot tub. Do not use the towels from your bathrooms. All used towels can be put in the basket on the floor in the back kitchen.

The bathrobes in the bedrooms can be used for the hot tub.

Children

ROSPA advise us that no children under 5 should be allowed to use the hot tub.

Dogs

No dogs are allowed in the hot tub - their claws can permanently damage the surface of the tub.

When the hot tub is not in use, please ensure that the lid of the hot tub is left down.

Please enjoy!
